Dear Esteemed Colleague,

Due to the many questions we have been receiving from authors and co-authors regarding their abstracts for presentation at the 65th TEFLIN International Conference at UNM, in Makassar, Indonesia, we have decided to resend the official abstract acceptance notification letters (see attachment).

We are very sure that we did our best effort in April and earlier this month to send the original notification letters to all the successful authors, including you. The emails could have gone into their spam or Boxbe folders; however, many authors said that they could not find our notification letters in those folders. Whatever has happened, please accept my apologies on behalf of the Organising Committee for any inconvenience this delay may have caused.

With the hope that, despite the delay, you are still interested in attending the conference in mid-July, we would like you take the following three main steps.

1. Visit the conference's website <https://www.teflin2018unm.org>, click the "Downloads" tab (<https://www.teflin2018unm.org/downloads/>) and download the four attachments. Please save the files and read the information they contain carefully and thoroughly.
2. Complete the confirmation form available on this link <https://goo.gl/forms/XTNiC76cUbA3YBoJ2> to indicate whether you will attend the conference.
3. Make the payment and then fill out the Regular Rate Registration form available on the website under "Registration and Payment". The form will be inaccessible as of 31 May 2018.

Please do not hesitate to contact me on my mobile phone/WhatsApp number +62-813-5398-8845 or drop me a line or two on my email cakorompot@unm.ac.id or teflin652018@unm.ac.id should you have any questions.

I wish you all the best and look forward to seeing you at the conference in mid-July.

Kind regards,

Chairil Anwar Korompot, PhD
Chair of the Organising Committee

Dear Bu Mina,

Attached is the complete paper for TEFLIN proceedings. The total words (including the names of the writers, the abstract, and the reference) are 2,773. I cut citation not found in the reference. Please proofread to make sure it is ready to send. Because the internet connection in my village is poor, could you send it to the OC of TEFLIN conference.
