Dear Nayan,
Thank you for your assistance.
I got the Agreement form and I have completed it, and I have printed them (3 pages, page 2-4) the agreement sections.
the final step ... to scan the form. It seems to be delayed as there is likely something wrong with the scanner.

If I do not scan it but I take a picture from my HP and send it to you, is it all right?
Thank you for your attention.

All the best,
Mina

Prof. Jayakaran Mukundan,

(Sorry, I can find the contact details of Prof Dato and Ms Ummi Fairuz Binti Hanapi from Pertanika website; so could Prof. Dato or Ms Ummi Fairuz Binti Hanapi assist me? Thank you)

I am enquiring about my manuscript (ID JSSH-2510-2017). A few days ago I just knew: Oh 'transition' period from the previous management personnel to the new one -- you as the new Editor-in-Chief . **First of all, congratulations.**

As I have been waiting for the good news anxiously, I then get this idea of contacting you directly. I am sorry if I am not patient enough. I am just afraid mine will be overlooked and 'disappear' later.

As you can see in this email, I have completed all three pages of Letter of Agreement as the response to *Your manuscript entitled "Interest in teaching: How teacher education affects it" has been tentatively accepted for publication in the Journal of Social Sciences and Humanities.*

Could you please assist me? What should I do?

Thank you for your attention.
