Manuscript Number: CONCTC-D-22-00213

Dear Bernadette Dian Novita,

The corresponding author Mr hendy wijaya has listed you as a contributing author of the following submission via Elsevier's online submission system for Contemporary Clinical Trials Communications.

Submission Title: The combination of Isomalto-oligosaccharides (IMO)-based dietary Fiber and Hypocaloric High-Protein Diet could improve the Anthropometric Profile and Fasting Plasma Glucose of Healthy Adults: A Repeated Single-Arm Clinical Trial

Elsevier asks all authors to verify their co-authorship by confirming agreement to publish this article if it is accepted for publication.

Please read the following statement and confirm your agreement by clicking on this link: [Yes, I am affiliated.](#)

I irrevocably authorize and grant my full consent to the corresponding author of the manuscript to: (1) enter into an exclusive publishing agreement with Elsevier on my behalf (or, if the article is to be published under a CC BY license, a non-exclusive publishing agreement), in the relevant form set out at www.elsevier.com/copyright ; and (2) unless I am a US government employee, to transfer my copyright or grant an exclusive license of rights (or for CC BY articles a non-exclusive license of rights) to Elsevier as part of that publishing agreement , effective on acceptance of the article for publication. If the article is a work made for hire, I am authorized to confirm this on behalf of my employer. I agree that the copyright status selected by the corresponding author for the article if it is accepted for publication shall apply and that this agreement is subject to the governing law of the country in which the journal owner is located.

If you did not co-author this submission, please contact the corresponding author directly at hendy_wijaya@ukwms.ac.id.

Thank you,
Contemporary Clinical Trials Communications
