Dear Authors,

First of all, we inform you that soon we will publish your article in **IRJBS** Vol.15 No.2 (2022). At this last stage we would like to get confirmation from you that some changes were made by the **IRJBS** Editor due to format policy considerations:

1. **The title of your article will be shorter, without losing the meaning of the content of the article.**
2. **The article abstract has been edited according to the article format rules in **IRJBS**.**

Regarding these minor changes, we attach the final results of the article editing process. Please provide confirmation for the next article process to the design stage.

We look forward to your answer as soon as possible.
