Caroline Caroline:

We have reached a decision regarding your submission to **Pharmaciana**, "In Silico Study of The Essential Oil Compounds of Ginger and Thyme on Coronavirus-2 Receptors".

Our decision is to: REVISION REQUIRED
Please reduce the similarity until less than 20%.
Use Mendeley with APA style to manage the references.
Complete the acknowledgement statements.

Dear Prof. Dr. Nurkhasanah Mahfudh, M.Si., Apt

We apologize for the slow response because your email were in our spam and unfortunately we did not check the spam continuously. By this email we send the revision of the article according to the request and the similarity check. Hopefully it complies with the journal's provisions.

Thanks you so much for the attention

Best Regards

Caroline

Caroline Caroline:

We have reached a decision regarding your submission to **Pharmaciana**, "In Silico Study of The Essential Oil Compounds of Ginger and Thyme on Coronavirus-2 Receptors".

Our decision is to: REVISION REQUIRED

There is no improvement found in the manuscript.
Please add some discussion about the activity and toxicity of compound which is studied as suggested by reviewer.

Please manage the references by Mendeley with APA style.
